

Ho'ohana:

my personal *and* professional Mission and Purpose

In my role as the _____ of the
_____, this is the responsibility I accept as my *kuleana*:

Next, a sentence (or two) that expresses how you will *ho'ohana* in this role: how will you seize it, own it, and put your signature on it, raising your own personal bar, and setting a new standard for your company and for the integrity of your chosen profession.

I am equally committed to my own *Mālama*, for I understand that I must be healthy before I can affect those I lead in a positive way. As I *'imi ola*, and seek my best possible life, these are the commitments I make to myself: they complete me, fulfill my needs, and contribute positively to my *ho'ohana*: I will _____
